Turning the Elements

A poetic recital for soprano voice and clarinet

Frances Cooper (soprano) and Joanna Nicholson (clarinet) present a lyrical programme exploring the theme of nature and our place in it

- Folk Song arrangements
- 20th Century British and American song

And, at its centre

- A thrilling artistic collaboration - two suites of song commissioned from composers Rebecca Rowe and Stuart Mitchell Murray, setting new poetry from award-winning Scottish writers Jane McKie and Stewart Sanderson.

A backdrop of nature photography compliments the music.
